Haute Dawgs Agility Group COVID-19 GUIDELINE

Haute Dawgs Agility Group is committed to following the guidelines suggested by our county to help protect our exhibitors, crew and judges from the spread of COVID-19. That primarily means we will employ social distancing as much as possible, and wear masks when that is not possible. We know that means creating some new habits for most of us, so we will all be patient with each other and issue gentle reminders if necessary. Many in our agility community are in categories considered at higher risk in this pandemic, so please be respectful of others by following these measures so we can all get back to the sport we love. Below are the measures we will be implementing for the return of events. We will of course continue to monitor the guidance as it evolves and adjust our measures, as necessary. This is an **ALL OUTDOORS** trial, which will also help contribute to everyone's safety.

Masks

Masks should be worn when you are not able to maintain the 6-foot distancing, such as:

- When exiting and entering an area or walking in areas where social distancing might not be possible.
- When walking a course since it will be difficult to maintain 6-foot distancing.
- When you want to have a close one-on-one conversation with others outside your household.
- You will not be required to wear a mask when running a course.
- Since you may end up taking your mask on and off many times during the day, please keep your mask handy at all times. Should you forget your mask, we will have disposable ones available for purchase.

Social distancing

- Please maintain a 6-foot distance from others to the greatest extent possible. This applies to dogs also – please keep your dog at your side and don't allow them to interact with other dogs or other people.
- **Crating space** – There will be plenty of space to set up crating spots outside while maintaining 6 or more feet of distance between crating spots. **You may wish to consider bringing a shade tent for the parts of the trial that will be during daytime.**
- **Walk thrus and waiting to run** – Walk thrus will be monitored to avoid congestion and may be staggered if the class size is too big. Masks will be required while walking a course, unless you are the only person out walking.
- **Volunteers** – Workers will maintain social distance at all times. Scribe and timer will have 6 feet space between them at the scribe table. Leash runner will be given a leash grabber to move the leash for those folks that choose not to carry their leash in their pocket. NADAC is allowing you to carry your leash with you if you can fully fit it in a pocket or a small fanny pack where it cannot be seen by the dog or fall out or be loose while running.

Scores & Course Maps – The plan is to have scores posted online (details will be included in the show notes). Course maps, Morning Briefing, and other information will be emailed to exhibitors and/or posted online for exhibitors to access electronically.

Course Builders and Pole setters – CDC guidance is now indicating that contracting the virus from touching surfaces is less likely than initially feared, so we will allow folks to help set bars and move equipment. Please remain vigilant and try to wash hands or use sanitizer before touching your face.

Hospitality – Our normal hospitality will NOT be hosted during COVID. We are sorry for the inconvenience of not being able to offer food and drinks. Please plan on bringing along everything you will need for you and your dog including food and drinks.

Hand sanitizer & Hand washing – We will have hand sanitizer and disinfectant wipes available around the area. Please wash your hands frequently.

**ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO
CORONAVIRUS/COVID-19**

This Form must be completely filled out by each attendee and participant, including children.

The novel Coronavirus ("COVID-19") has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies have recommended social distancing and have, in many locations, prohibited or limited the congregation of groups of people. The North American Dog Agility Council, LLC, (hereinafter "NADAC"), has put in place preventative measures to reduce the spread of COVID-19; however, NADAC, cannot guarantee that you will not become infected with COVID-19. Further, attending and/or participating in a NADAC trial could increase your risk of contracting COVID-19.

By signing this document, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 as a result of attending and/or participating in a NADAC trial and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at a NADAC trial may result from the actions or inactions of myself or others. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for my decision to attend and/or participate in a NADAC trial, and any personal injury, disability, illness, death, damage, loss, claim, liability, or expense of any kind, that I may experience or incur in connection with my participation in a NADAC trial.

I hereby release, covenant not to sue, discharge, and hold harmless NADAC, its directors, officers, employees, agents, representatives, volunteers, members, successors, and assigns, local trial hosts, judges, and participants from any and all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating to my attendance and/or participation in a NADAC trial. I understand and agree that this Assumption of Risk and Waiver of Liability Relating to Coronavirus/COVID19 covers any claims based on the action or inactions of myself, NADAC, its directors, officers, employees, agents, representatives, volunteers, members, successors, and assigns, local trial hosts, judges, and participants, regardless of whether a COVID-19 infection occurs before, during, or after participation in any NADAC trial.
